CHICAGO

An expo dedicated to additive manufacturing and industrial 3D printing.

The Formnext formula

Formnext is the world-leading additive manufacturing event brand and community builder. Known for its unmatched ability to bring additive supply chain solutions providers and industrial manufacturing technology buyers together to engage, connect and create the future of advanced manufacturing.

Why Formnext Chicago?

Formnext Chicago is poised to be the leading North American event in industrial additive manufacturing. The event will bring together people in all facets of AM, including:

- » Current Users & Future Adopters
- » Machine Builders
- » Materials Producers
- » Software Designers
- » Post-Processing
- » Job Shops / Service Bureaus
- » Contract Manufacturers
- » Industry OEMs
- » Academia
- » National Labs
- » Investment Community

Together, we have a unique ability to reach **1,000,000+** individuals in the manufacturing industry, as well as experience delivering **world class** manufacturing trade shows.

By 2030, the North American additive manufacturing market is expected to reach

» **\$34.2 Billion**

A Global Powerhouse

Mesago Messe Frankfurt has produced Formnext, the largest industrial additive manufacturing event in the world for years, with more than **34,500 attendees**, **600 exhibitors**, and **570,900 sq ft** of exhibition space. Now, partnered with AMT and Gardner Business Media, this event is coming to the U.S.

The Power of 3

The global success of Formnext lies its ability to unite the entire industrial additive manufacturing ecosystem, with a particular emphasis on bringing together buyers and sellers. Collaboratively, AMT, Gardner, and Mesago Messe Frankfurt deliver the essential elements that support the North American manufacturing community's investment in additive technology.

Top 10 reasons to exhibit

- 1 — **Generate leads** at every stage of the purchasing process
- 2 — Gain **brand recognition** with the entire additive manufacturing ecosystem
- 3 — Get access to the **largest AM audience in North America**
- 4 — Discover and connect with an audience interested in **new additive technologies**
- 5 — Display the **latest advancements** in industrial manufacturing
- 6 — **See how you match up** to your peers and competitors
- 7 — **Build partnerships** at every level of the industrial manufacturing supply chain
- 8 — **Network with leaders** of industrial additive manufacturing
- 9 — Connect with the **most comprehensive global audience** in additive manufacturing
- 10 — **Get in on the ground floor by being a founding exhibitor at the inaugural Formnext Chicago**

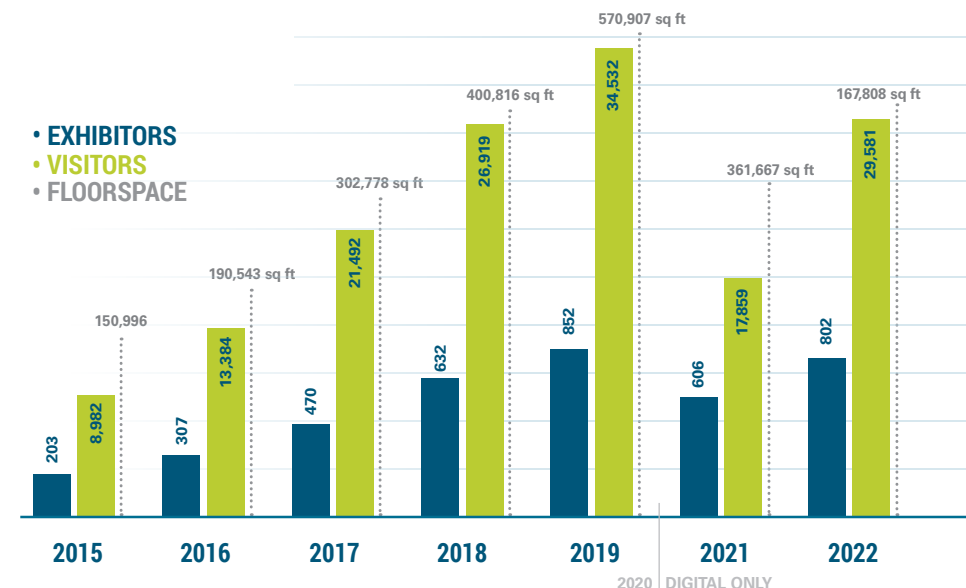

» \$5.6 billion+

in venture capital has been invested into additive manufacturing companies globally in the last 5 years.

Who exhibits

Formnext exhibitors include global builders, manufacturers, suppliers and distributors.

- » Design / Product Development
- » Materials
- » Manufacturing Preparation / Pre-Processing
- » Component Processing
- » Surface Treatment Solutions
- » Quality Management / Metrology
- » Connected / Digital Manufacturing
- » Tool and Die Making
- » Apprenticeship, Training And Qualification
- » Research and Development (R&D)
- » Organizations and Publishing Companies
- » Investors and the Financial Community

Who you'll meet

Find active buyers and influencers in the industrial manufacturing sector.

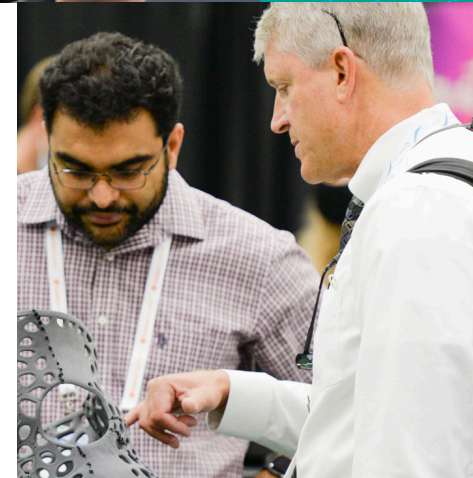

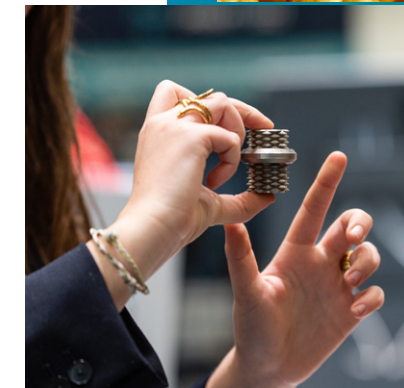

Job Functions

- » Manufacturing Owners / Corporate Executive
- » Manufacturing Management
- » Product Design & Development
- » Manufacturing & Production Engineers
- » Service Bureaus / Shop Floor Managers

Industry Sectors

- » Automotive
- » Aircraft / Aerospace
- » Consumer Products
- » Defense / Government / Military
- » Energy
- » Medical / Dental
- » Job Shops / Contract Manufacturers
- » Academia / R&D

Participating Companies

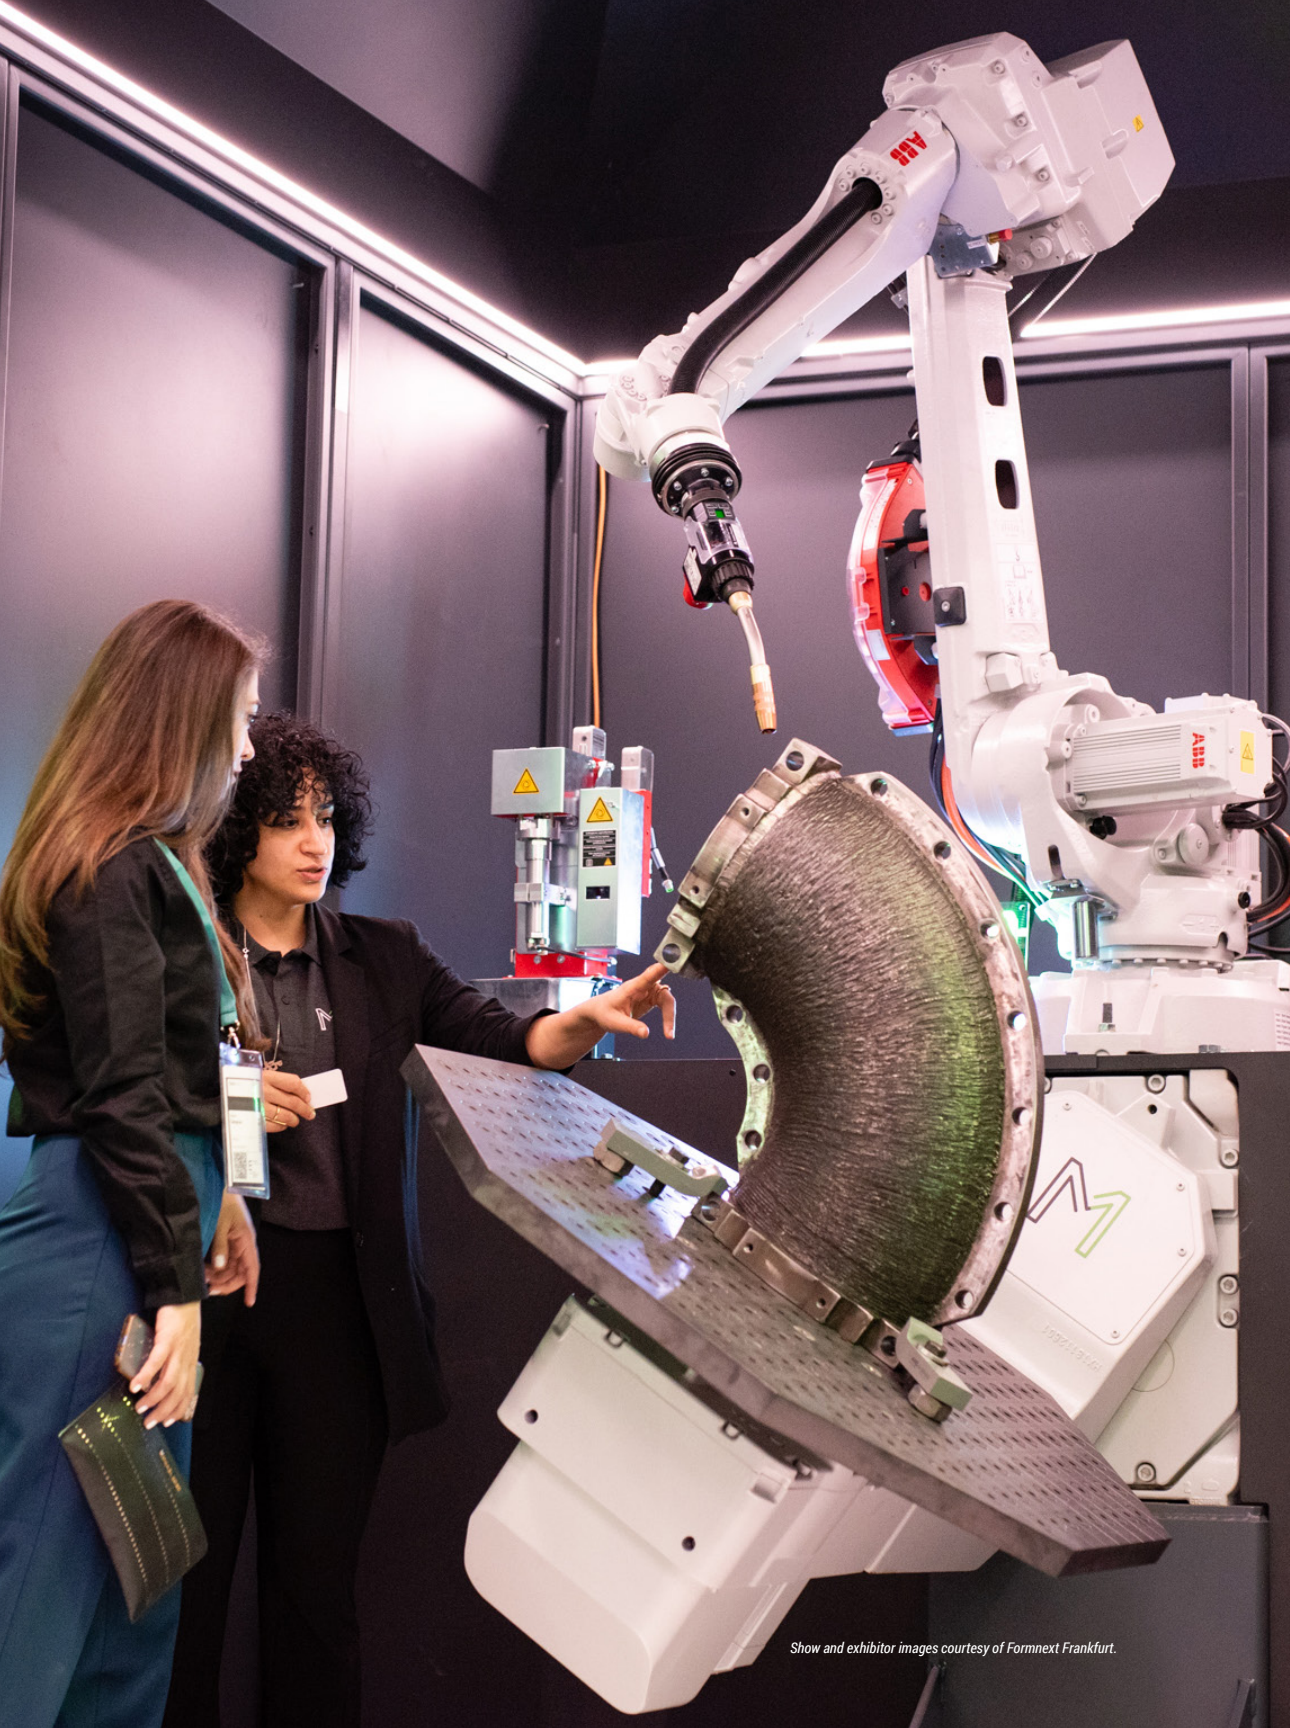

McCORMICK PLACE[®]
C H I C A G O

Chicago: An advanced manufacturing powerhouse

Crucial to North American industrial manufacturing, Chicago is the third largest city in the U.S., with an economy that ranks 17th in the world. One of the top states for manufacturing in the nation, Illinois boasts a rich history of industrial excellence that has evolved into an advanced, technology-driven sector.

- » 420,000 manufacturing employment
- » \$74.5 billion in manufacturing output
- » 11,968 manufacturing business establishments

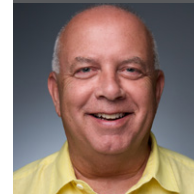

Chicago is the manufacturing hub of the Midwest and is an easy drive for most attendees. O'Hare International Airport, located 17 miles from downtown, is one of the most connected airports in the world. Midway International Airport, located 10 miles from downtown Chicago, offers connections to over 80 destinations.
